

U.S. Fish and Wildlife Service, Portland Oregon
Special Terms and Conditions for Permit TE04197A-0

- E. All Sections of Title 50 Code of Federal Regulations, parts 13 and 17.32, are conditions of this permit.
- F. The authorization granted by this permit is subject to compliance with, and implementation of the City of Kent Clark Springs Water Supply Habitat Conservation Plan (HCP), executed by the Permittee and the U.S. Fish and Wildlife Service (Service). This permit and the HCP are binding upon the Permittee, and any authorized officer, employee, contractor, or agent conducting permitted activities.
- G. The Permittee, and its authorizing officers, employees, contractors, and agents are authorized under the Endangered Species Act of 1973, as amended (Act), to incidentally take the federally threatened bull trout (*Salvelinus confluentus*) and unlisted coastal cutthroat trout (*Oncorhynchus clarki clarki*), Pacific lamprey (*Lampetra tridentata*), and river lamprey (*L. ayresi*) to the extent that take of this species would otherwise be prohibited under section 9 of the Act, and its implementing regulations, or pursuant to a rule promulgated under section 4 (d) of the Act. Take must occur incidental to otherwise lawful activities associated with the activities and management of the covered lands and waters as described in the HCP, and as conditioned herein.
- H. Upon locating any dead, injured, or sick individual bull trout the Permittee shall, within 3 working days, notify the Fish and Wildlife Service's Washington Fish and Wildlife Office (360-753-9440). The notification shall include the date, time, and location of the specimen, a photograph, cause of death, if known, and any other pertinent information. Care should be taken in handling the dead specimens to preserve biological material in the best possible state for later analysis.
- I. Conduct monitoring and reporting as described in section 5.0 of the HCP and submit reports to the Project Leader, U.S. Fish and Wildlife Service, Washington Fish and Wildlife Office, 510 Desmond Drive SE, Lacey, WA 98503; and to the Assistant Regional Director – Ecological Services, Division of Endangered Species, U.S. Fish and Wildlife Service, 911 NE 11th Avenue, Portland, Oregon 97232.
- J. The Permittee shall refer to permit number TE04197A-0 in all correspondence and reports concerning permit activities. Any questions you may have about this permit should be directed to the Project Leader, U.S. Fish and Wildlife Service, Washington Fish and Wildlife Office, 510 Desmond Drive SE, Lacey, WA 98503, telephone 360-753-9440.
- K. A copy of this permit must be in possession of the permittee and designated agents while conducting covered activities.
