

UNITED STATES FISH AND WILDLIFE SERVICE

ENVIRONMENTAL ACTION MEMORANDUM

Within the spirit and intent of the Council on Environmental Quality's regulations for implementing the National Environmental Policy Act (NEPA) and other statutes, orders, and policies that protect fish and wildlife resources, I have established the following administrative record and have determined that the action of: Operation of the 30 acre quarry in Hell Canyon, Salt Lake City, Salt Lake County, Utah is found not to have significant environmental effects as determined by the attached Environmental Assessment and Finding of No Significant Impact.

Other supporting documents: Habitat Conservation Plan prepared by the applicant in cooperation with the Service. No further documentation will be made.
