## FISH AND WILDLIFE SERVICE

Sacramento Fish and Wildlife Office

FEDERAL BUILDING, 2800 COTTAGE WAY, ROOM W-2605

SACRAMENTO, CA 95825

PHONE: (916)414-6600 FAX: (916)414-6713

Consultation Code: 08ESMF00-2016-SLI-1958

August 03, 2016

Event Code: 08ESMF00-2016-E-04304

Project Name: Camp Parkway Commerce Center

Subject: Updated list of threatened and endangered species that may occur in your proposed project location, and/or may be affected by your proposed project

### To Whom It May Concern:

The enclosed species list identifies threatened, endangered, proposed and candidate species, as well as proposed and final designated critical habitat, under the jurisdiction of the U.S. Fish and Wildlife Service (Service) that may occur within the boundary of your proposed project and/or may be affected by your proposed project. The species list fulfills the requirements of the Service under section 7(c) of the Endangered Species Act (Act) of 1973, as amended (16 U.S.C. 1531 *et seq.*).

Please follow the link below to see if your proposed project has the potential to affect other species or their habitats under the jurisdiction of the National Marine Fisheries Service:

[http://www.nwr.noaa.gov/protected\\_species/species\\_list/species\\_lists.html](http://www.nwr.noaa.gov/protected_species/species_list/species_lists.html)

New information based on updated surveys, changes in the abundance and distribution of species, changed habitat conditions, or other factors could change this list. Please feel free to contact us if you need more current information or assistance regarding the potential impacts to federally proposed, listed, and candidate species and federally designated and proposed critical habitat. Please note that under 50 CFR 402.12(e) of the regulations implementing section 7 of the Act, the accuracy of this species list should be verified after 90 days. This verification can be completed formally or informally as desired. The Service recommends that verification be completed by visiting the ECOS-IPaC website at regular intervals during project planning and implementation for updates to species lists and information. An updated list may be requested through the ECOS-IPaC system by completing the same process used to receive the enclosed list.

The purpose of the Act is to provide a means whereby threatened and endangered species and the ecosystems upon which they depend may be conserved. Under sections 7(a)(1) and 7(a)(2)

of the Act and its implementing regulations (50 CFR 402 *et seq.*), Federal agencies are required to utilize their authorities to carry out programs for the conservation of threatened and endangered species and to determine whether projects may affect threatened and endangered species and/or designated critical habitat.

A Biological Assessment is required for construction projects (or other undertakings having similar physical impacts) that are major Federal actions significantly affecting the quality of the human environment as defined in the National Environmental Policy Act (42 U.S.C. 4332(2) (c)). For projects other than major construction activities, the Service suggests that a biological evaluation similar to a Biological Assessment be prepared to determine whether the project may affect listed or proposed species and/or designated or proposed critical habitat. Recommended contents of a Biological Assessment are described at 50 CFR 402.12.

If a Federal agency determines, based on the Biological Assessment or biological evaluation, that listed species and/or designated critical habitat may be affected by the proposed project, the agency is required to consult with the Service pursuant to 50 CFR 402. In addition, the Service recommends that candidate species, proposed species and proposed critical habitat be addressed within the consultation. More information on the regulations and procedures for section 7 consultation, including the role of permit or license applicants, can be found in the "Endangered Species Consultation Handbook" at:

<http://www.fws.gov/endangered/esa-library/pdf/TOC-GLOS.PDF>

Please be aware that bald and golden eagles are protected under the Bald and Golden Eagle Protection Act (16 U.S.C. 668 *et seq.*), and projects affecting these species may require development of an eagle conservation plan ([http://www.fws.gov/windenergy/eagle\\_guidance.html](http://www.fws.gov/windenergy/eagle_guidance.html)). Additionally, wind energy projects should follow the wind energy guidelines (<http://www.fws.gov/windenergy/>) for minimizing impacts to migratory birds and bats.

Guidance for minimizing impacts to migratory birds for projects including communications towers (e.g., cellular, digital television, radio, and emergency broadcast) can be found at: <http://www.fws.gov/migratorybirds/CurrentBirdIssues/Hazards/towers/towers.htm>; <http://www.towerkill.com>; and <http://www.fws.gov/migratorybirds/CurrentBirdIssues/Hazards/towers/comtow.html>.

We appreciate your concern for threatened and endangered species. The Service encourages Federal agencies to include conservation of threatened and endangered species into their project planning to further the purposes of the Act. Please include the Consultation Tracking Number in the header of this letter with any request for consultation or correspondence about your project that you submit to our office.

**Consultation Code:** 08ESMF00-2016-SLI-1958

**Event Code:** 08ESMF00-2016-E-04304

**Project Type:** DEVELOPMENT

**Project Name:** Camp Parkway Commerce Center

**Project Description:** This is a 438 acre site, which was a former farm is planned to be a commerce park. It is composed mostly of open fields with very little wooded area.

**Please Note:** The FWS office may have modified the Project Name and/or Project Description, so it may be different from what was submitted in your previous request. If the Consultation Code matches, the FWS considers this to be the same project. Contact the office in the 'Provided by' section of your previous Official Species list if you have any questions or concerns.

## Endangered Species Act Species List

There are a total of 18 threatened or endangered species on your species list. Species on this list should be considered in an effects analysis for your project and could include species that exist in another geographic area. For example, certain fish may appear on the species list because a project could affect downstream species. Critical habitats listed under the **Has Critical Habitat** column may or may not lie within your project area. See the **Critical habitats within your project area** section further below for critical habitat that lies within your project. Please contact the designated FWS office if you have questions.

Amphibians	Status	Has Critical Habitat	Condition(s)
California red-legged frog ( <i>Rana draytonii</i> ) Population: Entire	Threatened	Final designated	
<b>Birds</b>			
California Clapper rail ( <i>Rallus longirostris obsoletus</i> ) Population: Entire	Endangered		
California Least tern ( <i>Sterna antillarum browni</i> )	Endangered		
Marbled murrelet ( <i>Brachyramphus marmoratus</i> ) Population: CA, OR, WA	Threatened	Final designated	
western snowy plover ( <i>Charadrius nivosus ssp. nivosus</i> ) Population: Pacific coastal pop.	Threatened	Final designated	
<b>Fishes</b>			
Delta smelt ( <i>Hypomesus transpacificus</i> )	Threatened	Final designated	

United States Department of Interior  
Fish and Wildlife Service

Project name: Camp Parkway Commerce Center

Population: Entire			
steelhead ( <i>Oncorhynchus (=salmo) mykiss</i> ) Population: Northern California DPS	Threatened	Final designated	
<b>Flowering Plants</b>			
Fountain thistle ( <i>Cirsium fontinale</i> var. <i>fontinale</i> )	Endangered		
Marin dwarf-flax ( <i>Hesperolinon congestum</i> )	Threatened		
San Mateo Woolly sunflower ( <i>Eriophyllum latilobum</i> )	Endangered		
San Mateo thornmint ( <i>Acanthomintha obovata</i> ssp. <i>duttonii</i> )	Endangered		
White-Rayed pentachaeta ( <i>Pentachaeta bellidiflora</i> )	Endangered		
<b>Insects</b>			
Bay Checkerspot butterfly ( <i>Euphydryas editha bayensis</i> ) Population: Entire	Threatened	Final designated	
Mission Blue butterfly ( <i>Icaricia icarioides missionensis</i> ) Population: Entire	Endangered		
Myrtle's Silverspot butterfly ( <i>Speyeria zerene myrtleae</i> ) Population: Entire	Endangered		
San Bruno Elfin butterfly ( <i>Callophrys mossii bayensis</i> ) Population: Entire	Endangered		

United States Department of Interior  
Fish and Wildlife Service

Project name: Camp Parkway Commerce Center

<b>Mammals</b>			
Salt Marsh Harvest mouse <i>(Reithrodontomys raviventris)</i> Population: wherever found	Endangered		
<b>Reptiles</b>			
San Francisco Garter snake <i>(Thamnophis sirtalis tetrataenia)</i> Population: Entire	Endangered		

United States Department of Interior  
Fish and Wildlife Service

Project name: Camp Parkway Commerce Center

## **Critical habitats that lie within your project area**

There are no critical habitats within your project area.
