## BAY COUNTY AUDUBON SOCIETY

#### CHECKLIST OF BIRDS FOR BAY AND GULF COUNTIES IN NW FLORIDA

Species appearing in bold type are regular in occurrence. Species shown in light face type either occur in very low numbers or are irregular in occurrence and to be expected occasionally. Species shown in parentheses are very rare in occurrence and warrent careful documentation.

Symbols indicating abundance and seasonal incidence in appropriate habitat are: C - common or abundant, U - uncommon, R - rare, and X - accidental; p - present all year, w - predominantly in winter, s - summer resident, and t - seen during fall and spring migration or after strong storms.

Please report all unusual bird sightings in northwest Florida to the BCAS Bird Records Chairperson Tony Menart at 234-8042. Copies of this field checklist can be purchased from the BCAS, P.O. Box 1182, Panama City, Fl 32402 for #0.25 per copy. BCAS phone number in 1994 785-9357.
