rds out of Impoundment, Very little movement in B. ed up against south side of northern levee, Cold, strong wind from the N.

. Mostly vegetation.

e truck and parked about 1/2 way up south side of Unit H. Much better. sh any birds when driving up south levee to count Unit G.

egetation. I confirmed number as birds will flush when climbing in stand,

r, very shallow. Also, very bad glare. Drove by later - still no ducks, ne skim ice in the vegetation.

g to cloud over.

area open enough to count ducks. Some slush ice,

the edges of water. Geese on open ground with some shorebirds.

om Levee Rd, or some other method, ke Unit U, need to find another way.
