A detailed topographic map of the Sherburne State Wildlife Management Area (WMA) and surrounding regions in Louisiana. The map is oriented with North at the top. The WMA is a large, irregularly shaped area in the center, shaded in light green, with a grid of red numbers (1-121) overlaid. To the west of the WMA is the Happytown Oil and Gas Field, and to the east is the ANWR (Arctic National Wildlife Refuge). The Atchafalaya River flows along the southern boundary of the WMA, with several bayous (Bayou des Ordesse, Bayou de la Riviere, Bayou de la Poudre) branching off. The map also shows the T300 pipeline, which runs from the WMA towards the southeast. Roads shown include Rte 104, Rte 100, and Rte 101. Other features include Lake Valerie, Lake Comeaux, and the Atchafalaya Basin. The map is overlaid with a grid of red numbers and dashed lines.

A horizontal number line with a black segment from 0 to 0.7 and a white segment from 0.7 to 1.4. The word "Miles" is at the right end.
