

UNITED STATES FISH AND WILDLIFE SERVICE

ENVIRONMENTAL ACTION MEMORANDUM

Within the spirit and intent of the Council on Environmental Quality's regulations for implementing the National Environmental Policy Act and other statutes, orders, and policies that protect fish and wildlife resources, the U.S. Fish and Wildlife Service (Service) has established the following administrative record. In addition, the Service has determined that issuance of an incidental take permit pursuant to section 10(a) of the Endangered Species Act to allow development and operation of commercial and industrial buildings and facilities associated with a 63-acre industrial complex on private property within Cedar City, Iron County, Utah (permit number PRT-817340) is found not to have significant environmental effects as described by the attached Environmental Assessment and Finding of No Significant Impact.

Aside from the above-referenced Environmental Assessment and Finding of No Significant Impact, other supporting documents include the Habitat Conservation Plan, Implementation Agreement, and Biological Opinion.
