THE AMERICAN FIELD

Has the Honor of Extending to

Sportsmen and Field Trial Fans

A Cordial Welcome to the

Forty-Seventh

QUAIL FUTURITY

Beginning on Monday, the Fifth of November

nineteen hundred and fifty-one

Carbondale, Illinois

Sportsmen may read a colorful report of this bird dog classic event in the next issue of the AMERICAN FIELD. It is recommended that you read this authoritative journal regularly. A subscription for a full year (52 issues) is obtainable at Five Dollars. Address your order to the AMERICAN FIELD PUBLISHING COMPANY, 222 West Adams Street, Chicago 6, Illinois.

Welcome Futurity Visitors

The Carbondale Chamber of Commerce welcomes you to the Forty-Sixth Annual American Field Futurity. Official headquarters for the week will be established at the Franklin Hotel. The Chamber of Commerce will be pleased to render any possible service to Futurity visitors.

Courses have been laid out on the East side of Crab Orchard National Wildlife Refuge, and can be reached on State Route 13 East from Carbondale, which crosses two arms of beautiful Crab Orchard Lake, this area's finest possession.

Carbondale Citizenry are especially pleased that the officials of the American Field Futurity chose to hold their meet at the Crab Orchard Area again this year. It is our sincere hope that Futurity visitors will find time to visit our industries, our shops, and the numerous places of interest in and near Carbondale during their visit in our city.

Welcome To Your Crab Orchard National Wildlife Refuge

Much in the manner we look forward to the return of our wintering ducks and geese, we look forward to the return of your Futurity to Crab Orchard.

We hope that you find time to appreciate your Crab Orchard Refuge. It is one of 300 federal refuges dedicated to the perpetuation, through management, of those grand sports of field trialing, wild fowling, and bird shooting. Your visit to the refuge will show you the multiple uses possible on managed lands. You will find upland game and waterfowl populations in abundance and fitted in around growing industrial developments. Thousands of persons are provided a recreational outlet of their choosing whether it be field trialing, picnicking, hunting, fishing, boating, camping, hiking or swimming. Farmers, through a guided conservation farming program, are increasing soil fertility, producing food and forage for wildlife and adding to their personal income through farming operations on the refuge.

We in the Fish and Wildlife Service welcome you to your Crab Orchard Refuge and wish each and every one of you good birding and good sport.

See your Purina Dealer soon. Make Purina your choice, too.

RALSTON PURINA COMPANY

St. Louis 2, Missouri

WELCOME SPORTSMEN:

To Southern Illinois

We wish you would come more often and stay longer.

We even wish you would move your **INDUSTRY** to our area, which is one of the fastest growing industrial communities in the United States.

We have good people who want employment.
We have plenty of power, resources and transportation.

We invite you to buy a farm and contribute to the **AGRICULTURAL** development of our part of a fine state.

You are urged to inspect our Southern Illinois institutions, especially our fine schools and their programs of **EDUCATION**.

You are here to enjoy some of our **RECREATIONAL** advantages.

There are many more for your year-round enjoyment.

Let Southern Illinois Incorporated help you come to Southern Illinois.

We offer a vote of thanks to our local sportsmen whose untiring efforts bring these nationally famous sporting events to our area.

Salient Facts About . . . Carbondale, Illinois

Carbondale is located at the intersection of Southern Illinois' principal highways, and at the division point on the Illinois Central Railroad where the St. Louis branch joins the main line. Carbondale is the transportation hub of the area. It has access to unlimited natural gas, coal, water and electricity. Supported by diversified year-round industries, fruit orchards, dairying and coal mining, it is further blessed by the scenic beauty and recreational potentialities of the Southern Illinois Ozarks.

Southern Illinois University is located here. Carbondale has increased its population by 7000 since 1940 mainly through expansion of this university and increased tourist business stemming from the development of Crab Orchard and adjacent lakes.

Approximately 15,000 people live and work here.

For years a railroad center, it has many industries. The Prairie Farms Creamery, the largest Co-Op Creamery in the state; the huge Illinois Fruit Growers Exchange, through which passes much of the delectable Egypt harvest of peaches and apples; the Good Luck Glove factory; the New Era Dairy; the American Pants Manufacturing Co., and the Eaton Manufacturing Co., makers of refrigerator units, are a few of the industries located in Carbondale.

Carbondale is the nearest city to the famous Crab Orchard lake, the largest inland body of water in Illinois. Crab Orchard has more than 15 industries leasing space from the government, largely through the efforts of Southern Illinois, Inc., an area booster organization.

Crab Orchard is also gaining fame as a dog trial center. Besides the Quail Futurity, and other top-flight bird dog attractions, the National Springer Spaniel Championship, the National Brittany Championship, and the National Brittany Futurity and National Weimaraner trials will be held here this fall.

Schedule of Points for Division No. 1—East and North

Effective May 15, 1951

Connecticut, Delaware, District of Columbia, Illinois, Indiana, Maine,
Maryland, Massachusetts, Michigan, New Hampshire, New Jersey,
New York, Ohio, Pennsylvania, Rhode Island, Vermont and Wisconsin.

The Points toward a Championship shall be awarded to the winners dog and the winners bitch of each breed, or each variety of breed, which shall be based on the actual number of dogs of the corresponding sex competing in that breed, or variety of breed.

Only dogs entered and judged in the Regular Classes will be counted as being present for the purpose of championship rating.

A dog or bitch awarded "Best of Winners" shall be entitled to the number of points based on the number of dogs or bitches competing, whichever is greater.

Any dog which shall have won fifteen points shall become a Champion of Record, if six or more said points shall have been won at two shows with a rating of three or more championship points each and under two different judges and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

DOGS COMPETING TO OBTAIN RATINGS LISTED BELOW

Scale of Points — 1 2 3 4 5	Scale of Points — 1 2 3 4 5
Spaniels (Brittany)Dogs 2 3 4 10 14	Bitches 2 3 4 9 14

If the Winners Class in any breed is not divided by sex as provided in Chapter 6, Section 9 of the rules applying to Registration and Dog Shows, as amended to March, 1951, the maximum requirements for points in the breed in question shall apply.

I hereby certify to the correctness of the within marked awards and absentees, as taken from the judges' books.

THE NATIONAL CHAMPIONSHIP FIELD TRIAL

This trial, the fifth annual National Championship for English Springer Spaniels, is the third to be run by the National English Springer Spaniel Field Trial Association which was organized in 1947 with the approval of the American Kennel Club and the English Springer Spaniel Field Trial Association, "parent club" of the breed and originator of Spaniel Field Trials in the U.S.A.

The purpose of the trial, which is open to all Springer Spaniels placing first, second or third in open all-age stakes at licensed or AKC member club field trials during the calendar year, is to determine the outstanding Springer of the year. To accomplish this, the trial is run under customary field trial procedures but is spread over more series in order to reduce the element of luck as much as possible. No "trick" or unusual tests will be allowed in the minimum of five land and two water series to be run, and conditions will approximate those of a rough day's shooting adjoining water. Dogs must complete all series to be eligible for a place or award.

The following clubs are members of the National Springer Spaniel Field Trial Association and are sponsoring this trial:

Cocker Spaniel F. T. Club of America
Connecticut Spaniel F. T. Association
English Springer Spaniel F. T. Association
English Springer Spaniel Club of Central States
English Springer Spaniel F. T. Club of Illinois
English Springer Spaniel Club of Michigan
English Springer Spaniel Club of Southern California
West Allis Training Kennel Club
Nebraska Dog and Hunt Club
Northwest English Springer Spaniel Club, Inc.
Ravenna English Springer Spaniel Club
Sportsmen's Spaniel Club of Calumet
Valley Forge F. T. Association
Wisconsin Amateur F. T. Association
Northern California F. T. Club
Bath County F. T. Club
Stockton English Spaniel Training Club
New Jersey Spaniel Field Trial Club

THE NATIONAL ENGLISH SPRINGER SPANIEL FIELD TRIAL ASSOCIATION

The first Springer National was held in 1947 in the Crab Orchard Lake area near Herrin, Illinois; it was conducted by a committee appointed by the English Springer Spaniel Field Trial Association, the parent club of the breed. This committee was appointed to function because there was no National Club at that time. It consisted of Henry L. Ferguson, chairman with Robert C. Bishop, Harry I. Caesar, Charles S. Goodall, Claude C. Jasper, William Kirkland, Jr. and Dr. Charles G. Sabin as members. The committee appointed Charles S. Goodall as chairman of the field trial committee. They also appointed Mr. William R. Kirkland, Jr. of New York and Mr. Leonard Leader of Milwaukee as judges.

The first National Trial placements were:

First Place: National Champion (1947) Russett of Middle Field owned by the late Dr. Charles G. Sabin of Portland, Oregon and handled by Roy Gonia of McKenna, Washington.

Second Place: Rod's Happy Contender owned and handled by George A. Brown of Cleveland, Ohio. This handler was also the recipient of the Best Amateur Handler Award.

Third Place: F.T.Ch. Bing of Roe owned by Colonel Joseph C. Quirk of Greenwich, Conn., and handled by Lawrence McQueen of Pottersville, N. J.

The following year at the direction of the various spaniel clubs supporting the National Trial and with the cooperation of the English Springer Spaniel Field Trial Association, the National English Springer Spaniel Field Trial Association was formed.

The first Officers of the new National Club and signers of the original charter were:

President: Dr. Charles G. Sabin, Portland, Oregon.
Vice President: Conway H. Olmsted, Lake Forest, Illinois
Vice President: Robert McLean, Philadelphia, Pennsylvania
Secretary: Walter F. Carter, Frankfort, Illinois
Treasurer: Eugene J. Schram, Greendale, Wisconsin

The representatives of the various clubs forming the National Association decided to hold the 1948 trial again at Herrin, Illinois. The judges of the second National Trial were Mr. Robert McLean of Philadelphia, Pennsylvania and Mr. Charles S. Goodall of Glenview, Illinois. The chairman of the field trial committee was Conway H. Olmsted of Lake Forest, Illinois.

The placements were:

First Place: National Champion (1948) Stoneybroke Sheer Bliss owned by Philip D. Armour, Jr. of Chicago and handled by Clifford H. Wallace of Wadsworth, Illinois.

Second Place: Snowdrift's Slim Jim owned and handled by Edward D. Porges of Chicago. This handler was also the recipient of the Best Amateur Handler Award.

Third Place: F.T.Ch. Davellis Wager owned by David B. Silberman of Chicago and handled by Martin Hogan of Barrington, Illinois.

The third Springer National was again held at Herrin, Illinois, in December of 1949. The officers of the club were:

President: Dr. Charles G. Sabin (deceased), Portland, Oregon
Vice President: Conway H. Olmsted (acting president), Lake Forest, Illinois;
Vice President: Robert McLean, Philadelphia, Pennsylvania
Secretary: Walter F. Carter, Frankfort, Illinois
Treasurer: Eugene J. Schram, Greendale, Wisconsin

The judges were Mr. Edward J. Elting, Riverside, Illinois and Mr. Robert C. Bishop of Portland, Oregon. The chairman of the field trial committee was Claude C. Jasper of Madison, Wisconsin.

First Place: National Champion (1949) Davellis Wager owned by David B. Silberman of Chicago and handled by Martin Hogan of Barrington, Illinois.

Second Place: Freckles of Shady Glen owned by Robert McLean of Philadelphia and handled by Arthur R. Eakin of Fort Washington, Pennsylvania.
Third Place: F.T.Ch. Bing of Roe owned by Colonel Joseph C. Quirk of Greenwich, Conn. and handled by Lawrence McQueen of Pottersville, N. J. The Best Amateur Handler Award went to Fred Sehnert of Lincoln, Nebraska.

The fourth Springer National while again held at Herrin, Illinois saw a new slate of officers running the National Association.

President: Conway H. Olmsted, Lake Forest, Illinois
Vice President: Harry L. Ferguson, Fishers Island, New York
Vice President: R. E. Allen, Provo, Utah
Secretary: Claude C. Jasper, Madison, Wisconsin
Treasurer: Leonard Leader, Milwaukee, Wisconsin
The judges were Mr. Hartwell S. Moore, Long Island, N. Y. and Mr. Harry Shoot, Portland, Oregon. The chairman of the field trial committee was Edward J. Elting of Riverside, Illinois.

The fourth National was run under very adverse conditions. The trial started in twelve inches of snow, the most snow Herrin had seen in twenty years. This trial proved, beyond a doubt, that Springers can run under any conditions and still do a fine job.

The placements were:

First Place: National Champion (1950) Whittlemoor George owned by Philip D. Armour, Jr. of Chicago and handled by Steve Studnicki of Frankfort, Illinois.

Second Place: F.T. Ch. Fliers Inger of Shady Glen owned by C. Mahlon Kline of Philadelphia and handled by Arthur R. Eakin of Fort Washington, Pa.
Third Place: F.T.Ch. Square Peg owned and handled by Charles S. Goodall of Glenview, Illinois. This handler was also the recipient of the Best Amateur Handler Award.

"Nourishes EVERY INCH of a Dog"

Standard Procedure for Spaniel Field Trials

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.

2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover within gunshot in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.

3. If a dog, following the line of a bird or rabbit, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.

4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler is of great value.

5. When the Judge gives a line to a handler and dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.

6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.

7. In judging a Spaniel's work Judges should give attention to the following points, taking them as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work. Control at all times, and under all conditions.

Scenting ability and use of wind.

Manner of covering ground and briskness of questing.

Perseverance and courage in facing cover.

Steadiness to flush, shot and command.

Aptitude in marking fall of game, and ability to find it.

Ability and willingness to take hand signals.

Promptness and style of retrieve and delivery.

Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is the primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The Guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and

consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No. 5 or No. 6 chilled shot.

11. All Field Trial giving clubs should clearly recognize that Open All-Age stakes are of the first importance and that all other stakes are of relatively lesser importance and that an entire day should be reserved for the running of an Open All-Age stake unless there is a very small entry.

Ken-L-Biskit Is Nutritionally Improved with NURGENE

Your dog will love Ken-L-Biskit because it's meat-flavored. He'll thrive on it, too. Here's why: it is extra rich in protein—meat's main element—and is fortified with vitamins and minerals. Nu-

tritionally improved with Nurgene, an exclusive ingredient. Fed in many of America's leading kennels. Keep your champions in top form by feeding Ken-L-Biskit.

KEN-L-BISKIT

*The Dog Food
of Champions*

The Quaker Oats Company • Ken-L-Products Division • Chicago, Illinois

Proof...from professionals like yourself!

*Kennel owners, dog trainers, veterinarians report remarkable progress from Ken-L-Meal test feedings. Here's what they say:**

★ "Through the entire test these dogs gained weight, ate well and are in good condition. I think this is one of the best all-around meals I ever fed."

★ "First meal we ever used that put weight on this dog!"

★ "We are greatly pleased with this new Ken-L-Meal. In all respects

the dogs ate every meal, with their dishes clean, and looked for more. The mixing was a terrific surprise. It mixed up well. We will use it in our kennel and recommend it to others highly."

★ "This dog ate well throughout the test and gained 10 lbs. Condition of coat seemed greatly improved."
*Names sent on request.

**New Ken-L-Meal beat
all other brands tested**

- Best in sniff appeal
- Absorbs water almost instantly
- Doesn't stick to roof of dog's mouth
- Mixes to hamburger-like texture
- Benefits quickly seen in dog's health

**No finer meal
for your dogs**
